

Hello everyone.

Joe and I camped at the “old” Westward Ho campground in Nashville, IN recently only to find out it’s been sold to a new couple. They’ve renamed the campground to: Friends O’ Mine. The new owners are putting a lot of work into the facility but it is still a very nice and friendly place to camp. We asked them if they would hold 30 spots for Spring Wing Warm-Up 2021 and their policy is for everyone to either call 812-988-0008 or go online to: www.friendsominecampground.com and book their own spot. You can book your site now if you want to. I would suggest doing so as soon as possible because it is a very busy campground. You will need to put down a deposit when you book.

The rate is \$40.00 per night unless you are a veteran, then you get a 10% discount. There are also some small cabins available but they don’t have indoor plumbing. There is a 24hr. shower house and restrooms available. There is a fishing lake and a camp store on site. It is pet friendly also.

The campsites are 30 amp or 50 amp electric service and have full water hookup. I think most of them are pull thru.

This is the same location we had booked for this years Spring Wing Warm-Up located at 4557 State Road 46, Nashville, IN.
