

# 2022 Indiana Poker Run

Visit Different Chapter Gatherings to Collect Your Winning Poker Hand!

Every CD will have a deck of cards. When you visit other Chapter Gatherings (not your own), they'll let you pick a card from their deck, putting your name on it and signing/dating the numbered side of card. That card goes into your Poker Hand. The more Chapters you visit, the more cards you draw and the odds get better and better to make a WINNING Poker hand. Members need to submit their best 5 or less cards by contest end date. SUIT DOES NOT MATTER (you can have 4 Aces of Hearts in your hand). The member with the best hand wins a FABULOUS Prize!!!!!! You can snap a picture of your hand and send the photo to Chris Drake, Northern ADD, at [cadrake3123@gmail.com](mailto:cadrake3123@gmail.com). Starts March 1, ends December 31.
