

On Thursday, April 17th, 10 members from Chapter U in Angola traveled 97+ miles to Portland, Indiana to visit Chapter T in an attempt to capture the District Traveling Plaque. When we arrived, we discovered that 3 other Chapters had the same idea. Chapter D2, Chapter L and Chapter A2 were also at the gathering. After Chapter T's Director, Butch Micheau, along with a little help from Margaret, finished the short business portion of the gathering, we got down to the business of finding out who had traveled the greatest distance to capture the plaque. We all knew it was going to come down to Chapters A2 and U, and there was much bickering, teasing and story telling about how far each Chapter had traveled. After the smoke had cleared, Chapter U was declared the winner as we had ridden 4 miles further than Chapter A2. Everyone had lots of fun and laughs and that is what the plaque is all about. We hope some Chapters come to Angola on the 1st Monday of the month to capture the plaque for their Chapter. Chapter U's Gathering is at 7:00 PM at the Pizza Hut on North Wayne Street in Angola. Contact Marc Nelson, Chapter Director at 260-316-6082. See ya there.
