

We will be extending the Pre-Registration Deadline to February 1st 2012. If you have submitted a full registration with the larger amount, we will refund the difference in your packet.

We have sold out of rooms at the Windham, but they will still extend the lower room rates for the time being. We are still awaiting their response in adding new rooms to the existing contract. So reserve ASAP to keep the fees low.

Also please note that we did not receive enough Rally Shirt orders to make the minimum order. We will be refunding those orders as well with the registration packets.

Thanks,

Lee & Kay
