

WINTER RENDEZVOUS MEMORIAL TABLE

Your Indiana District Team would like to remind all Chapters that we will be having a "Memorial Table" at Winter Rendezvous again this year to honor all of our friends and fellow members that have passed during 2016.

If you have one or more members that your Chapter has lost during this past year, bring a picture and/or obituary in a frame to Winter Rendezvous and we will place them on a decorated table for all to see. We only ask that you limit frame size to an 8X10 picture. In the past, some have used double frames with picture on one side and obituary on the other, and that will be fine too. Frames also need to be self-standing.

Drop your pictures at Registration when you come in and someone there will make sure they get placed on the table. You will be responsible to pick up your pictures after the event is over.

Thank you.
