

Monday February 8th a small group: Larry & Allison Patton, Tom Hampshire, Marv & Judy Gael, Mike & Jinger Kaufman, and Robbie and I from Chapter U from Angola, IN headed south to visit with Chapter D-2 in Fort Wayne to see about capturing one or both traveling plaques. Once we got to Fort Wayne at the gathering place we see Chapter A-2 out of Lebanon In. was also there, and since D-2 had gotten the District Plaque from them last month they couldn't get it back from them so it allowed Chapter U to come home with the District Traveling Plaque and with Lebanon only a few traveling miles more than us, they went home with the Region Plaque. All in all, it was a great honor to come home with one of the plaques, not only that, the Fellowship and FUN. Thanks D-2 for being great host.

With that said we would like to invite other Chapters to come and visit us at our monthly gathering. Friends for Fun, Safety, and Knowledge

Marc Nelson Chapter Director
