

Gotham City- THE location for Winter Rendezvous. It includes vendors, silent auction, consignment shop, chapter sales, Rider's Ed table, goody store, photo booth, and food sales.

Virtual Bike Show - submit a picture of your bike (no people allowed). People's choice awards to be won!

Chapter Sales-a chance for your chapter to make some money! Mark your items with your chapter name and asking price. Sales continue Friday and Saturday. You do not have to be present to sell your items but we are seeking volunteers to take shifts to collect money from the sales. Pick up remaining items prior to closing ceremonies.

Goody Store- GWRRA patches, pins, and other items available for sale.

Craft Seminars- we have SIX different craft seminars going on. Samples of each craft are at the registration table along with seminar sign-up sheets. Participants are limited, first come first serve.

Euchre Tournament- different tournament going on each day. Sign-up sheets at registration table.

Silent Auction- we're asking each chapter to donate two items for the silent auction (one bike related and one other type of item). Proceeds go to the District.

Consignment Shop- your chance to sell riding items you are no longer using (Jackets, shirts, helmets, etc). Please no bike parts (wait till Spring Wing). You price your item and when it sells, you get 80% of the sale price, the District gets the rest. Pick up unsold items prior to closing ceremonies.

Master's Mingle- NEW! Meet and greet put on by Rider's Ed for Level IV Master Touring Riders. In Rider's Ed seminar room. Finger foods and soft drinks to be provided,

Game Night- Bring your favorite chapter games and we'll all share the ball room Friday night. Play games with your chapter, invite others to play, or wander around and play other Chapter's games. Wear your superhero pj's and slippers for two contests. A night of fun and a chance to visit with friends. Snacks and water provided by District.

Mascot/Banner Display- bring your chapter mascots and banners for display in the ball room area. (This is a mascot safe zone (no kidnapping!))

Hospitality Room- Chapter W is graciously hosting the hospitality room. Please bring snack items to help them out or consider donating cash so they can purchase needed items. Stop by for a soft drink, snack, and good company!

Seminars- We have a variety of seminars available for the weekend. There is something for everyone. We have a hands on self-defense class, GWRRA seminars, Rider Ed classes, Medic First Aid, and a Favorite Neighboring States ride discussion. (Lonny asks you to bring suggestions limited to Ohio, Illinois, Michigan, and Kentucky.)

Static Display Contest And Skit - Instead of floats and a parade, we're having a static display available all weekend. Your Chapter can make a float or other static display. If you want, there is a time set aside for your Chapter to do a skit to showcase your efforts. There's a people's choice contest also!

Costume Contests - during the closing ceremony, there's gonna be a superhero's costume contest.

Memorial Table - if you'd had a member pass from your Chapter this year, you can display an 8.5x11 picture honoring your departed member.

Submit recent chapter photos from your events you would like to share. These will be displayed on a loop on the big screen in the ballroom.

Door hangers, Chapter scrapbooks, and table centerpiece contests- rules for these contests are available on the District web page.
