

On Saturday August 7th fourteen Chapter O members met at the Friendship Diner in Evansville, Ind. for a weekend of mystery and fun filled riding plus a goal. Their names are Vernon Hunt and Diane Angermeier, Cathy and Dan Roberts, Charlie and Linda Willet, Becky Cassitty, Wendy Bengert, Jim and Mary Swanson, Joe and Andrea Strickland and Paul and Jane Davis. Joe Strickland planned a mystery ride that covered a lot of scenic roads and topped it off with four covered bridges and we actually rode across one of them. We spent the night in Columbus, Indiana and were up bright and early the next morning to ride onto our next destination. Four of our original members decided to go home because of other obligations. We spent some time in Nashville, Indiana and from there we set out on our final destination to reclaim the Traveling Plaque. We plotted our course and proceeded to New Albany, Indiana to meet with Chapter B and enjoy the festivities of their gathering. On entering the Boomtown Kitchen we were greeted with another one of our Chapter O family Richard Maile. Glenn Arms greeted us and showed us the meeting area and we participated in the festivities and at the end he dusted off the Plaque and presented it to us and we thanked everyone for their hospitality and proceeded on our way home on a very eventful weekend.

*We meet every second Sunday of the month at Archie and Clyde
