

On Monday February 1st 2021- 6 members of Chapter O (Golden Eagles) traveled 320 miles to Angola, Ind. to acquire possession of the traveling plaque from Chapter U and return it to Evansville, Indiana and share with the rest of the Chapter O family and encourage others to do the same. The gathering was very interesting to say the least and at the end of the gathering we acquired the Plaque with many smiles and a hand shake from the Chapter U director himself. The friendliness of this Chapter was fabulous and if we need to go again we would definitely do it again.
