

We did it. On Nov. 7th 5 Chapter K members made the trip to Elkhart's chapter O and claimed the plaque. They gather at the Perkins restaurant where we enjoyed a good meal and gathering with Wolf and Connie and all their attending members. There were no other chapters there so we didn't have to arm wrestle anyone for it. According to Google it was a 128 mile trip.

Unfortunately, due to the weather we took the 4 wheeler rather than our trusty bikes. But that worked out well for some (Ray Faber) as he slept most of the way up. In addition to Ray was his bride Melinda, Larry York and Linda and Ed Feldt.

For the time being the plaque will reside with us (Chapter K). We hold our gatherings the second Wednesday of the month at Christo's New City Grill located at 3291 Teal Rd, Lafayette. We eat at 6:00 pm. and meet at 7:00.

So if you want the plaque you'll have to pay a visit to Chapter K.
