

On Sunday, February 14th with snow storms in the forecast and being Valentines Day, 6 Chapter L2 members headed south to visit Chapter O and capture the Indiana Traveling Plaque. .

It was a great ride and we were greeted by all their members with "we only had it 2 weeks" jokingly. But they said they would get it again soon. Thank you Chapter O members for your hospitality and the chocolate treats made by Debbie Junker. It was great to see everyone.
