

Trip to Clarksville IN. 2019

2019 is almost over and Chapter IN-02 went south again to retrieve the District Traveling Plaque. In 2018 we went to the same chapter (Chapter B New Albany) to get the plaque but it was August and a bit warmer. This year it was in October and the weekend was very cold. We started with 40 degrees on the thermometer and ended the ride at 72 degrees, that felt good. Going home on Monday we started out at 50 degrees and it never got out of the 50's all day, but it was sunny both days. Upon arrival we were again greeted by Glenn Arms the Chapter Director and went inside to find a contingent of Chapter E members there for the same reason. Sorry guys we came a further distance. The members from Chapter IN-02 that made the trip were Tom & Connie Whalen, Bill Dunnick and Wolfgang & Connie Gless Chapter Directors. That also means the plaque is available for capture by any other chapter that wants to come north and retrieve it. We meet on the first Thursday of the month with dinner starting at 6:30 pm and the meeting starting around 7:15 pm. We meet at the Perkins Restaurant on IN-19 by the toll-road entrance.
