

Run for the Trophy

Well it finally happened, on August 12th the nine members of chapter IN-02 (Wolfgang & Connie Gless, Bob & Diane Coryn, Richard & Linda Wright, Bill Dunnack, Vern Daly and Jim Whetstone) made the 270-mile trip from Elkhart to Clarksville to capture the District Travel Trophy. We traveled down on Sunday and rode back home on Monday, with both days being warm and clear of rain. We arrived at the hotel early enough to freshen up before the meeting. When we pulled into the restaurant parking lot we were greeted by Glenn Arms, chapter CD, who led us into Roosters where we were warmly greeted by the rest of the chapter members. We had dinner and then were treated to cupcakes made for our chapter visit. Two of our chapter members were skillful enough to take home a door prize and I was presented with some Deer Sausage; this chapter knows how to treat its guests. The meeting which concluded with Glenn presented the Travel Trophy to the GWRRA friends from the north. Chapter B had the trophy for over 1 year and they thought that maybe the trophy's name should be changed to Chapter B Travel Trophy, but I believe they were kidding. Anyway, we now have the trophy and that means it is available for capture by any other chapter in the district. We meet on the first Thursday of the month at Perkins Restaurant on Cassopolis St. across from the toll road entrance, with dinner at 6:30 pm and the meeting starting at 7:15 pm. We look forward to seeing you there.
