

Capturing the Indiana District Traveling Plaque

On December 2, 2013 Indiana Chapter T, met at 4:00 pm in Portland, IN to travel the 194 miles round trip to capture the plaque from Chapter U, Angola, IN. The 5 members from T who were anxious to bring the plaque to Portland for the first time were, Dennis & Shirley Gruss, MEC, Peg Robinette, and Butch & Margaret Micheau, CD.

When the time came to present the plaque T was told that the Traveling Plaque Guidelines say the CD of the Chapter holding the plaque should get a call from the visiting Chapter in advance. The two CD's had discussed our visit many times in the past few weeks and a text was sent and answered that morning. Chapter U CD Duane Ewell received a phone call while he was explaining the rules and Chapter T was presented with the plaque much to the delight of all.

We were asked to include how gracious Chapter U was to their guests and what a great job the CD did at the gathering. All that is true. Chapter T was warmly welcomed by the Members and we had a great time.

Chapter T gatherings are held on the 3rd Thursday of the month at Ponderosa Steak House, 1002 N Meridian St, Portland, IN. We eat at 6:00 pm and Meet at 7:00 pm.

Please note that Chapter T does not have a gathering in December. Our next gathering is January 16, 2014.
