

On Monday, 13 April 2015, eight members of Chapter O from Evansville, IN traveled to Ft. Wayne, IN to visit Chapter D-2. We left Evansville at 8:00 am CDT with five wings and one car. We traveled 283 miles and arrived at about 5:00 pm EDT at the Pizza Hut on Coventry Ln. where D-2 gathers. D-2 conducted an impressive gathering with members from at least three other chapters and members from the district team in addition to us. We were warmly welcomed, the food was great, and it was great to make new friends. After a series of bogus reasons why we were not going to claim the plaque, Rick Warmels, the D-2 Chapter Director, finally coughed it up. Thank you D-2 for hosting us. We hope we see you all again soon. On Tuesday we saddled up and rode back to Evansville. We traveled about 600 miles round trip. We were lucky on this trip because we managed to ride around all the weather in the area and discovered a few small towns along the way.

We gather on the Second Sunday of the month at: Archie & Clydes
8309 Bell Oaks Dr.
Newburgh, IN 47630
