...at the GWRRA Northwest Section Picnic

Saturday, September 20th Fox Park in LaPorte, Shelter 2

We plan to gather around 11:30 am and eat at 12:00 pm

This is a bring your own picnic lunch. We will bring drinks and ice cream for all.

After lunch you'll have a chance to visit with each other and play some yard games. Stan and Becky Egli, our new District Directors have promised to attend. They will update you on their plans for the upcoming year and hope to hear from you on ideas of what you think Indiana GWRRA can do to increase participation at the local and state levels.

One of the local members has also stepped up to lead a ride after dinner that will last about an hour for those that want to enjoy these last days of good riding weather.

We're looking forward to seeing many of you on the 20th.
