Mon-Tues: 4:00PM- 9PM

Wed-Thurs: 11:00AM - 9PM

Fri-Sat: 11:00AM - 11PM

Sun: 12PM - 9PM

Please rsvp to mike or David to let us know how many will be going , so we can see how many vehicle's we will need to get up there ??

A moment in Mike's mind:

It seems like the planning for this years ride's was a exciting success. As you can read we have a lot of great ideas for this year , make a note of the list and schedule what you can , remember its all about the ride, with friends, enjoying the great outdoors , and great sites and good food. We are going to schedule classes on CPR , and gun safety , to keep us safe and healthy . I know right know with the cold and snow it seems a long way away , but spring is just around the corner.

Although we are a smaller chapter we are strong , but let's always keep our eyes open for that solo Goldwing that just might like to ride along , so don't forget to ask them , you never know .

P.S.

We just got back from Winter Rendezvous' 2016 in Columbus IN

and we had a great time , from presenting the colors, to being remembered from you the fellow member's for our term in office as the District Director's for 2014-2015. The rally was warm , fun , full of activities , and great to get to see friends and get pumped up for the 2016 riding season. Ray and Melinda , along with there new District team did a great job , and oh yeah Yeulah May and her new sidekick were hilarious in the not so dating game "Wow" I cant wait to see what they have planned for Spring Wing 2016

Activities and Rides:

Here it is fresh off the press :

*Sunday March 20th Ride to Hog Heaven "

David S. sponsor"

Writing's from Ron "your asst chapter director "

Had a great meeting this month good food great family good times we have a lot of rides planned for this year some are overnights only one camping trip planned for this year so far maybe we can get in some more you know how we love to camp I always look forward to Saturday night cookouts at the campsight looking forward to my ride in may to bardstown ky that's going to be a lot of fun ok enough

from me till next time

Riders Education Corner

At our last gathering , everybody agreed we would like to update our medical 1st aid and CPR certification . We will be contacting instructor's to join us at one of our next meetings , then we get the final costs and details we will let you know. Just another way to bring safety into the activity we love to do " that's riding motorcycles for some of you who don't know " .

Roger, chapter educator N2

Notes from the District

Hellooooo, GWRRA Indiana and Region D !

We are Ray and Melinda Faber from Chapter K, Lafayette, In., as we reside in Crawfordsville, IN. We are the New District Directors for Indiana as of the Fall Officers meeting on October 10th. We are humbled by our selection and look forward to serving the members of Indiana and Region D.

We joined GWRRA at Wing Ding in Fort Wayne in 2005. We then joined A2, our birth chapter, in Lebanon, IN. As our work schedules changed we moved to Chapter K, in Lafayette, IN., to better accommodate days off. They have honored us by making us their 2015 Chapter Couple Of The Year.

We had twin sons, one of which has twin grandsons and a granddaughter. Our youngest son has a Helix and attends many events with us, he also enjoys attending chapter meetings and events.

We have been riding together since we met in 1980 at Huntington College in Huntington In. We were married in 1981 and commuted for a few years to Indy on 1973 850 Moto Guzzi LAPD with a full fairing and bags. Great bike many miles enjoyed. With birth of twin boys in 1984, motorcycling was pushed to back burner till they were in high school. The boys had a dirt bike and I purchased a 600 Ninja to ride to soccer games as I was an official. In 2005, we purchased a 1986 1200 Goldwing and then in 2009, we purchased our present 2004 1800 Goldwing. We really enjoy all the time we can spend on the Wing and with our GWRRA family.

Over the next 2 years, we plan to implement, some ideas we have thought of during travels and visits with our GWRRA friends. My wife says I love to talk, but I am also listening. Feel free to give me your concerns and also your ideas as we can use all the help you can give.

The strength of our district is the members and their participation with the chapters and at the district levels. So, we hope, you will continue to help us grow and make Indiana and Region D, better for the present and future members.
