Friends,

Are you kidding me?? It's October already!  
Halloween is just around the corner and our  
school kids have been or are going on Fall  
Break. (whatever that is for).

Our Sunday rides have tried to do Fall Leaf  
Rides but the leaves are not yet colorful.  
Maybe the fourth time out we will see the  
colors.

Thanks go out to Dave and Sandy for their  
wonder annual Fish Fry. As always the fish  
was great and so was the companionship.  
Sorry to say that we had a few couples  
missing this year.

Be Safe,

~M2 Gatherings~

Gatherings are held at the Parkview  
Whitley Hospital, Columbia City on the  
third Tuesday of each month at 6:00 p.m.  
in Meeting Room D. We meet in the café  
at 5:00 p.m. to eat.

~M2 Notes~

We had 12 members present at our meeting.

Our **Christmas Party will be held at:  
Jim & Jane's on Sunday, Dec 3rd at 1:00  
p.m.**

Please bring a dessert, veggie or salad to share. All meats will be provided by Jim and Jane. We will also have our \$6.00 gift exchange.

Also be on the look out for The Bird. He has spent the last year with Dave & Pat Mura and is due for a new set of foster parents.

Our Social will again start in January. If you would like to host a month we have some openings to fill.

Jan. 20th 5:00 at Denny & Karen's  
Feb. is canceled due to many being gone.  
March (open)  
April 21st 5:00 at Darrell & Char's

Mark your calendars for these fun dates!!

Starting in November we will be driving to our Friday Dinners. Jim and Jane will be the first to pick our destination. Jane is retyping our list so be ready for a new line-up.

We have chosen to give to  
The Center again this year for our charity.  
We are all about helping the young people of  
Whitley County.

Our Rider Educator, Dave gave a talk on  
'Protect Those Numb Fingers'

(We decided that we really don't have that  
much of a problem with that. We are mostly  
fair weather riders.)

Next meeting is November 21st. We hope to  
see all of you there!

### Keep in your thoughts...

Gay Linn as she recently lost her sister.

Steve Marschand as he is waiting on test results from a biopsy.

Kudo's to Jim and Jane, they are on the road to recovery.

Safe travels to Dave and Sandy as our Snowbirds head down to Florida for the winter.

**Trick** or **Treat** time is coming.

As some of you may know, I have a grandson that has food allergies. It is hard for him to find any candy that he can have to eat. Remember there are children out there that may have allergies and have to give their candy away to a sibling. Make an effort to have something for those special kids. A few things that are safe:

Pencils, stickers, glow in the dark items.  
Ask the parents or kids themselves and they will tell you. Don't assume that what you give them, they can eat.

**Happy Halloween**
