Hello Everyone!

We just wanted to touch base with you, and share a link to our facebook page. This page is being developed for you, to share events, ride information, pics, and anything that you may want to post related to your chapter. We encourage you to join the group. Please share the link with your chapter members, they are welcome to join and post as well. We are hoping this page will help increase communication between all of the chapters in our district. Thanks for your help and cooperation.

Thank you,
Wendy and Tim Watson
District Ride Coordinator

Very cool on many levels. Enjoy!

Old car movies

This is a pretty neat site. Check the titles and watch. Could take many evenings to enjoy. This site is a gem loaded with automotive history, click on the movie projector icon to view and enjoy.

Free 411

Here's a number worth putting in your cell phone, or your home phone speed dial: 1-800-goog411 (1-800-466-4411). This is an awesome service from Google, and it's free -- great when you are on the road.

Look Up Your First Car!

Find your first car or the one you drove to high school or college; hopefully your car brochure is available. This has to be one of the neatest web sites whether you have gasoline in your veins or not. This is a website featuring the original factory brochures for nearly every American car you have ever owned. Pick the manufacturer, the year and the model.
